

Special Offer
December 2016 to February 2017

The Sensia® Arena shower-toilet

Pure, clean, personal

Water instead of paper, wash instead of wiping. The Grohe Sensia Arena shower-toilet provides the most private type of body care. The shower WC system, up until now used mainly in the Far East, combines hygienic cleaning and drying with comfort and ease. The Sensia's elegant design also has an innovative coating which protects against dirt, bacteria and lime scale.

Our offer includes the new Grohe
Sensia Arena shower-toilet (Item No. 39354SH0)
with the following features:

For the hygienic shower-toilet:

- antibacterial glaze with non-stick coating
- flush-proof, ceramic WC and extra-runny flushing
- automatic hygienic irrigation of the shower nozzle, before and after use

The shower-toilet is also available in a lower version (H 82 cm), but without the automatic hygienic rinse.

For total freshness:

- two adjustable showers
- separate water supply for the ladder shower
- unlimited hot water
- automatic rinsing function
- adjustable shower temperature
- movable shower jet
- pulsating massage shower jet
- adjustable intensity of the shower jet
- toilet lid with automatic open/close function
- hot air drying with adjustable temperature
- automatic odour extraction
- infrared user identification
- control unit on the seat
- main switch with on/off function
- subtle night lighting inside
- concealed water and electricity connection
- remote control

This offer is open until 28 February 2017.
